Our wedding was the best day ever for us, it was our kind of perfect! We loved the fact that we were able to have our wedding ceremony and reception all at one place. Truly a hidden gem in Vallejo! So dreamy, elegant, intimate and serene! Everywhere you'd look was absolutely stunning! Perfect place to have a wedding!

From the first time we visited, we knew the venue was special but little did we know how awesome our experience would be. When the wedding finally came, we felt SO comfortable there and it truly felt like we were hosting our favorite people at our fav place! The Lighthouse was so clean, updated, came with the very best amenities.

As if the venue is not enough, the people behind the Lighthouse are truly the heart of it all. We booked our vendors based on two things: kindness & connection, and we will never take for granted the hospitality they have offered us both leading up to our Wedding day and on the day-of.
